Rocks Glass Candleholder Wedding Favors

What You'll Need:

- 4" Rocks Glass Candleholders
- Glass Gems (in your choice of colors)
- Votive Candles
- Label Sheets (peel & stick printable paper)
- Scissors

Easy Step-by-Step Directions:

1. First, design and print labels with a message (if you want), plus your names and wedding date (see example of our label to the left). We printed our labels 12 to a page on 8½x11" label sheets, then cut them out.
2. Wash and dry each glass candleholder.
3. Peel the backing off each label and carefully place them on the glass candleholders. Take your time and be sure to avoid air bubbles.
4. Place a votive candle (choose your favorite scent, or match your color scheme) in each candleholder, then fill to desired height with glass gems in your choice of colors.
5. Place a completed candleholder favor at each seat at your reception.

Optional Idea: You could easily use these favors as place cards as well by simply adding your guest's name to the label!

your wedding should be special... *not expensive!*
